NATIONAL INDUSTRIAL RECOVERY BOARD,
By W. A. HARRIMAN, *Administrative Officer.*

Approval recommended:

JOHN W. UPP,
Acting Division Administrator.

WASHINGTON, D. C.,
February 15, 1935.

REPORT TO THE PRESIDENT

The PRESIDENT,

The White House.

SIR: An application has been duly made pursuant to and in full compliance with the provisions of the National Industrial Recovery Act for an amendment to Article IV of the Supplementary Code of Fair Competition for the Drapery and Carpet Hardware Manufacturing Industry, a division of the Fabricated Metal Products Manufacturing and Metal Finishing and Metal Coating Industry, by the Supplementary Code Authority for that Industry.

The Supplementary Code of Fair Competition for the Drapery and Carpet Hardware Manufacturing Industry was approved on May 9, 1934. Article IV, Section 11, Sub-section (f), provides that the Supplementary Code Authority shall secure from the members of the Industry an equitable and proportionate payment of the reasonable expenses of maintaining the Supplementary Code Authority and its activities.

The above in effect provides for voluntary contributions on the part of the members of the Industry. This method of providing funds for the proper administration of the Supplementary Code has been found to be unsatisfactory. The amendment has, therefore, been proposed to create a legal obligation, on the part of the Industry members, to pay their pro rata share of the expenses of the Supplementary Code Authority.

FINDINGS

The Assistant Deputy Administrator in his final report to the National Industrial Recovery Board on said amendment of said Supplementary Code having found as herein set forth and on the basis of all proceedings in this matter:

It has been found that:

(a) The amendment of said Supplementary Code and the Supplementary Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of co-operative action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of industries, by avoiding undue restriction of production (except as may be temporarily required), by increasing the consumption of industrial and

agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Supplementary Code as amended complies in all respects with the pertinent provision of said title of said act, including without limitation subsection (a) of Section 3, subsection (a) of Section 7 and subsection (b) of Section 10 thereof.

(c) The amendment and the Supplementary Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(d) The amendment and the Supplementary Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendment.

For these reasons, the amendment has been approved.

For the National Industrial Recovery Board:

W. A. HARRIMAN,
Administrative Officer.

FEBRUARY 15, 1935.

AMENDMENT OF SUPPLEMENTARY CODE OF FAIR COMPETITION FOR THE DRAPERY AND CARPET HARDWARE MANUFACTURING INDUSTRY

A DIVISION OF THE FABRICATED METAL PRODUCTS MANUFACTURING AND METAL FINISHING AND METAL COATING INDUSTRY

Amend Article IV by deleting Subsection (f) of Section 11 and substituting the following in lieu thereof:

SECTION 11. (f) (a) It being found necessary in order to support the administration of this Supplementary Code and to maintain the standards of fair competition established hereunder, and to effectuate the policy of the Act, the Supplementary Code Authority is authorized:

(1) To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Supplementary Code.

(2) To submit to the National Industrial Recovery Board for its approval, subject to such notice and opportunity to be heard as it may deem necessary (a) an itemized budget of its estimated expenses for the foregoing purposes, and (b) an equitable basis upon which the funds necessary to support such budget shall be contributed by the members of the Industry;

(3) After such budget and basis of contribution has been approved by the National Industrial Recovery Board, to determine and obtain equitable contribution as above set forth by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

(b) Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Supplementary Code Authority determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the National Industrial Recovery Board. Only members of the Industry complying with the Supplementary Code and contributing to the expenses of its administration as hereinabove provided, unless duly exempted from making such contributions, shall be entitled to participate in the selections of members of the Supplementary Code Authority or to receive the benefits of any of its voluntary activities, or to make use of any emblem or insignia of the National Recovery Administration.

(c) The Supplementary Code Authorities shall neither incur nor pay any obligations substantially in excess of the amount thereof as estimated in its approved budget, and shall in no event exceed the total amount contained in the approved Budget, except upon

approval of the National Industrial Recovery Board; and no subsequent budget shall contain any deficiency item or expenditures in excess of prior Budget estimates except those which the National Industrial Recovery Board shall have so approved.
